

How to Participate in the JRAL Members Art Gallery

We invite all members to be part of our Members Art Gallery and the Home page slideshow. It's easy:

- Send up to 5 digital images of your paintings, formatted as follows:
 - ✓ Images should be in JPG format
 - ✓ Reduce the size of your images to 1000 pixels on the longest side, if possible
 - ✓ The file name should be in this format: YourName_PaintingTitle.jpg
 - Example: ElizabethHood_PineyRiver.jpg

- Indicate which one of your images you'd like to put into the Home page slideshow, or the website manager can choose for you; up to 4 images can be put into the Member's Art Gallery

- Tell us if you'd like to link your name on the gallery to one of the following: your personal website or blog, your Facebook or Instagram page, your artist statement/bio, your email address, or no link. Include the relevant information (website name/link, Facebook or Instagram link, artist statement document, or email name). We can only link to one of the above.

- Send images and links to: Elizabeth Hood, JRAL Social Media Chair, at elizabethhood@comcast.net
