History: James River Art League was originally organized by members of a painting class taught by Helen Bailey in 1964. At that time, the meetings were held in a small white house on the grounds of the Westover Hills School. The members decided to follow the constitution and by-laws of the Petersburg Art League. As the membership grew, the League soon included members from all over the metro Richmond area. Official Non-Profit 501 (c) 3 status was granted by the IRS to the James River Art League, December 5, 2013.
